

INTELLECTUAL PROPERTY (IP) DECLARATION FOR PROJECT III (PRJT302)

We, the undersigned students, acknowledge that the work conducted in RESEARCH SKILLS (RESK401/RESK301) is a collaborative research effort. By signing this declaration, we agree to the following terms regarding intellectual property (IP) ownership and usage:

- Equal Ownership:** All group members have equal rights to the **foreground IP** developed during this project. All group members shall have equal rights to the intellectual property developed during this project.
- No Unauthorized Use:** No member may publish, commercialize, or use the project's findings without the written consent of all group members. No member may publish, commercialize, or otherwise use the project's results without the prior written consent of all group members.
- Dispute Resolution:** Any disagreements regarding IP rights will be referred to the project supervisor or DUT's IP office for resolution. Any disagreements related to IP rights will be referred to the project supervisor or the Durban University of Technology's Technology Transfer and Innovation (TTI) Office for resolution.
- Confidentiality:** All members agree to maintain confidentiality regarding unpublished work unless otherwise agreed upon. All members agree to keep all unpublished work confidential unless all members agree otherwise in writing.

By signing below, we confirm that we understand and accept these terms. By signing below, we confirm that we understand and accept these terms.
