14. **Pirated Software from Abroad**-Scenarios Bernie works for a large consulting company. On holiday in South East Asia, he found an Office suit that looked identical to Microsoft Office. The package he found costs R50 compared to the price tag of R3000 back home. Bernie knew that the seller did not honor US copyright law. Despite the documentation looking like it had been photocopied, he decided to buy it and returned home with it. Do you think Bernie has done anything wrong?
Select true or false.
- True
 - False
15. It is 1980, and Bingo software has just developed a new operating system called BOS. BOS is better than anything else, but Bingo is a small firm that needs venture capital. After three years bringing the product to the market, it launched and sold well for a year. At this point, it has recovered about 25% of its initial investments. Pirate Pete entered the market with PPOS, which is cheaper and has more features than BOS — but it appears to be a copied or slightly modified version of BOS. In addition to this, copying of BOS is rampant with customers making copies. Bingo did not last long and went bankrupt within a year.
Has PPOS wronged Bingo?
Select true or false.
- True
 - False
16. 360.org, an organization working toward curbing climate change, recently interviewed Jessica for the position of public relations officer. However, interviewers Brenda and Laura are divided over whether Jessica should be given the job. Brenda believes that Jessica does not have in-depth knowledge about the issue of global warming and its impact. On the other hand, Laura feels that Jessica would be perfect for the job because she has vital networking and interpersonal skills. Which of the following, if true, would weaken Laura's argument? Select the correct option.
- Jessica could not fare well in the written test, which analyzed her conceptual skills.
 - Jessica listened intently to the interviewers' questions before answering them.
 - Jessica could not clearly communicate why she was right for the job.
 - Jessica was very friendly and courteous with the receptionist while greeting her.
