MID YEAR SUPPLEMENTARY EXAMINATION

INSTRUCTIONAL PROGRAMME : BACHELOR OF INFO. COMM. AND TECHNOLOGY

INSTRUCTIONAL OFFERING : SOCIAL PROFESSIONAL ISSUES III

PAPER NUMBER : 1

SUBJECT CODE/S : SPRI301

DATE : 2023/07/19

DURATION : 180

TIME : 14:00 - 17:00

TOTAL MARKS : 100

NUMBER OF PAGES : 8

EXAMINER/S : DR. JULIUS .O. AROBA

MODERATOR/S : MRS. DEBORAH OLUWADELE

INSTRUCTIONS/REQUIREMENTS:-

- 1.1 Answer section A on the MCQ card provided
- 1.2 Answer section B on the answer booklet provided
- 1.3 All questions must be answered

Do not turn the page until permission is given

SECTION A

(60 Marks)

Answer the following questions on the MCQ card provided

1. Should a company mine data? Consider the case where Tisetso sells hardware and software to over 100 000 customers annually. She has ten years of experience. As part of the billing process, she keeps information on customers. She buys and uses a data mining tool to derive useful information about her client's information, such as postal codes, credit card numbers, ID numbers, etc. Most of this information identifies groups and not individuals. She can then use the information to market her wares more efficiently. Is this ethical since the customer did not give her the information for this purpose?
 - a. True
 - b. False
